The Holidays Shine At Central Farm Markets

This time of year we are all searching for those perfect hostess gifts, fresh foods for our tables and hostess and other thoughtful gifts to give.

The Bethesda and Mosaic markets are filled with fresh meats, poultry, turkeys, eggs, dairy and fish (including seafood like scallops, mussels and lobsters) that will make those grand dinners and country fresh breakfasts even more special.

For your sweet cravings and images of sugar plums dancing in your heads, our bakers are baking up a storm of cakes, pies, cookies, Stollen, Buche de Noel and of course gingerbread men. To add to that sweet goodness, our chocolatiers are crafting fudges, rich cocoa for hot chocolates, bars to fit into those stockings and so much more.

Our craftspeople have the perfect assortment of delightful candles, fragrant soaps and scrubs, handcrafted ceramic table top items and wooden cutting boards and bowls. Our gardeners have fresh wreaths and lilies and mini trees! All of our gift items make the

perfect gifts and all are crafted with love.

Charcuterie boards will delight your guests with fresh Virginia cheeses and salamis and duck breast prosciuttos. Add some farm made fruit jams and you are rocking around the charcuterie board.

Want to give a unique gift this year? Consider a sampler of fresh spices, coffee, teas, jams, gourmet popcorn and award winning olive oils, sunflower oils and vinegars, dried pasta and much more!

A basket or handcrafted bowl filled with goodies like these will make those who are receiving them very merry indeed!
